If you are using scraps - die cut, punch or fussy cut if necessary and attach this to the  $3\frac{3}{4}$  x  $2\frac{1}{4}$ " white/vanilla piece with dimensionals.

**TIP:** If you are using ribbon or twine leave a space for your ribbon to be wrapped around.

**OPTIONAL:**

Stamp an image or sentiment on the bottom half of the  $5\frac{1}{4}$ " x  $3\frac{1}{2}$ " white/vanilla piece.

## *CLUE 7*

Affix the  $3\frac{3}{4}$  x  $2\frac{1}{4}$ " white/vanilla piece to the 4" x  $2\frac{1}{2}$ " inch coloured card stock.

## ***CLUE 8***

Using dimensionals on the bottom third of the 4" x 2½" card stock layer attach this to the front flap.

Be careful not to attach it to the white/vanilla piece.

## *CLUE 10*

Embellish your card with bling, wink of stella etc.

**TIP:**

If using bling, try to use odd numbers of embellishments - it is generally more pleasing to the eye.
