

# CLUE 1 - Gather your supplies

1. Stamp & dies/punch of your choice - You will need an image & sentiment - Ideally, your image should be about 2¼" x 2½" but it can be bigger or smaller. Use what you have!
2. Inks that coordinate with your patterned paper and card stock
3. Coloured Card stock 1½" x 4" (approximately half a sheet of a4 paper cut vertically) Scored at 5¾"
4. Basic White or very vanilla - 3¾" x 5½" - 2 pieces
5. Extra Basic White or Very Vanilla or coloured card stock pieces for die-cutting or punching images
6. Patterned paper no 1\* - ½" x 5¼" and ½" x 3½"
7. Patterned paper no 2\* - ½" x 5¼" and ½" x 3½"
8. Patterned paper no 3\* - ½" x 5¼" and ½" x 3½"  
*\*Non-directional patterns are best - we are making a portrait or tall card. If you don't have patterned paper, use card stock. You can stamp or emboss your card stock with a non-directional pattern to add interest.*
9. Bone Folder
10. Blocks or a stamperatus
11. Adhesive - multipurpose glue AND dimensionals
12. Paper Trimmer
13. Scissors
14. Take your pick tool

## Optional:

- die cutting machine & dies or punch
- Ribbon, Wink of Stella embellishments

## USA Imperial Measurements

1. Coloured Card stock—4 ¼" x 11" scored at 5 ½"
2. Designer Series Paper (Non-Directional Pattern, if you do not have DSP use Card stock instead - see note above.)
  - Patterned paper no 1\* - ½" x 5" and ½" x 3¾"
  - Patterned paper no 2\* - ½" x 5" and ½" x 3¾"
  - Patterned paper no 3\* - ½" x 5" and ½" x 3¾"
3. Basic White Card stock—4" x 5 ¼" (2 pieces)
4. Basic White Card stock—scraps

## CLUE 2

Fold your base card in half and burnish fold line with your bone folder

Add your large Basic White/Vanilla piece to with adhesive

## CLUE 3

Add all three long patterned paper (DSP) or Card stock strips to long side of Basic White/Very Vanilla Layer with Liquid Glue overlapping each piece a little. Leave about ¼” from the edges of the Basic White/Very Vanilla Layer

## CLUE 4

Attach all three short patterned paper (DSP) or Card stock strips to short side of Basic White/Very Vanilla Layer with Liquid Glue overlapping the other strips that you adhered. Leave about ¼” from the edges of the Basic White Layer .

## CLUE 5

Time for Stamping 😊 Stamp image on Basic White/Very Vanilla scrap, cut out with dies, punches or snips. Colour your image if it needs to be coloured

## CLUE 6

Add your image to card front where the DSP / Card stock strips meet with Dimensionals .

## CLUE 7

Time for more stamping 😊 Stamp Greeting on “White space” on card front

## CLUE 8

Add the other Basic White/Very Vanilla layer to inside of card with adhesive .

**Optional:** Stamp a sentiment or image on this piece BEFORE attaching it to the inside of the card.

## CLUE 9

BLING IT UP!!! Embellish your card with ribbon, bling, wink of stella etc.

**TIP:** If using bling, try to use odd numbers of embellishments (e.g. 3, 5, 7)- it is generally more pleasing to the eye.

# MYSTERY SOLVED!!!
